MEMORANDUM OF UNDERSTANDING FOR LEEDS LEARNING ALLIANCE ASSOCIATE PARTNERS

This Memorandum of Understanding (MOU) explains how Associate Partners within the Leeds Learning Alliance will work with Alliance Partners and with each other.

The signatories to this Memorandum will work in partnership to raise educational standards in the schools and organisations within the Alliance and also supporting broad and shared community aims. The Alliance will provide development opportunities for staff and clients of the Partners and Associate Partners.

All Partners and Associate Partners will be open and transparent about such arrangements.

It is the intention that, in parallel to proposals for establishing a Trust the Partners and Associate Partners would also investigate how the Trust might apply to sponsor Free Schools and Academies in Leeds.

The MOU is not intended to be a legally binding agreement and will be reviewed annually.

The Partners and Associate Partners do not undertake any liability for the affairs of Partner institutions.

This MOU does not preclude Partners and Associate Partners from continuing or developing other collaborative work with other institutions.

OUR ORGANISATION & STRUCTURE

MEMBERS

All the Governing Boards of the Founding Partners are Trustees of the LLA. The Governing Boards will appoint someone to be their Authorised Representative who will attend Trustees' meetings. These will be held twice a year.

Each partner organisation is entitled to nominate two Directors and their details will be registered at Companies House (one can attend Board meetings). This does not apply to associate partners.

Should an LLA Partner wish to resign from the role it is expected that they will give 6 months-notice in order to appoint someone else from within their organisation.

ALLIANCE BOARD

All Partners will be checked to ensure that they comply with DfE legislation. This screening will include a DBS check.

The Alliance will work with other people and organisations, as appropriate, in order to carry out its work.

The Alliance Board will meet a minimum of three times a year. In signing this MOU, Partner Directors of the Alliance are committed to making these meetings a high priority. A Chair from Directors within Board will be elected annually at the AGM. The Board will appoint administrative support to undertake the necessary paperwork associated with the Board's work and report directly to the Chair.

We hope to work together in a manner which means that voting is a rare event but on such occasions each Director has one vote and the Chair has a casting vote should a tie exist.

Should a new Partner be appointed after due consultation, including meeting the ethos and expectations of the Alliance, then they will be entitled to nominate two Directors.

The Alliance will fund these meetings so no one partner is financially responsible. All partners will have an equal voice. There will be no dominant partner. Meetings will be open and honest to build up trust between partners and confidentiality respected throughout.

All Partners should commit to attend meetings, one Director per Partner. Decisions can only be taken if two thirds of the total number of Directors in attendance.

We will hold an Annual General Meeting of the partnership in September each year to which other key stakeholders and supporters can be invited. The purpose of this meeting will be to review the Alliance's aims, agree the specific areas of work for the coming academic year and elect the chair.

ASSOCIATE PARTNERS

Associate Partners will be invited to join the Alliance based on a selection process focused on the each organisations commitment to the LLA vision, values, key aims and commitment to Inclusion, Collaboration and Ambition.

Associate Partners are invited to join Strategy Groups and working/task/project groups.

All Associate Partners will be required to sign the Associate Partner MOU and work in good faith with the Partners, Associate Partners and Supports of the LLA.

STRATEGY GROUPS

We will form Strategy Groups which will be responsible for, but will not be limited to, policy formation and operations in key areas of LLA activity. The Strategy Groups will be made up of partners, associate partners and supporters. Each Strategy Group will have the authority to co-opt individuals whose specific knowledge and professional expertise will be beneficial to work with the group in an advisory capacity. All groups will have Director representation and will report to the Board of Directors.

WORKSHOPS, TASK GROUPS, PROJECTS

These will be established by the Strategy Groups as required in order to meet the priorities set by the Alliance. Membership will be determined by the needs of the priority.

For each Alliance priority there will be regular reporting to the Alliance Board through the Strategy Group.

GOVERNANCE

The Leeds Learning Alliance will act as the Foundation for the Partner schools involved in the LLA. For these schools the Governing Board continues to be responsible for all aspects of their school.

The Alliance Board is responsible for the actions of the Leeds Learning Alliance.

Each Partner school/organisation will appoint two Directors to the LLA and their details will be registered at Companies House.

School governors and other governing boards will be kept up to date with developments through a standing item on their agenda for governors' and organisations' board meetings.

As signatories to the MOU, Governors/Trustees/Directors should support the Alliance and the aspirations to work together for mutual gain.

OUR CONTRIBUTION

The Leeds Learning Alliance recognises that investment from individual school/organisation budgets is essential in developing partnership working and will establish a central resource through which collaboration can proceed and impact created.

Specifically, resources will be used to:

1. Support the leadership, management and administration of the Alliance
2. Fund additional running costs including venues and professional fees
3. Support the targeted learning opportunities generated by the Alliance's priorities

All allocated funds will be managed centrally and allocated in accordance with the action plans and by mutual agreement. Funding contributions will be agreed by the LLA Board as needs arise. Associate Partners can be asked to contribute to the central funds.

The Alliance will ensure that fair and transparent funding arrangements are in place. Where funding is required to support Alliance activities the cost-benefits will be discussed and put to partners. Costs will be divided across the Alliance in either equal or proportionate terms depending on the activity.

Carr Manor Community School is the named fund holding organisation. Clear financial records will be kept and presented regularly to the Board.

It should be noted that the Alliance is a financially discrete organisation and Partner Directors have limited liability, usually to a maximum of £10. Schools/organisations within the Alliance have separate and allocated budgets.

QUALITY ASSURANCE

The Alliance will establish a set of benchmarks from which progress will be measured together with milestones within the action plans to support and monitor developments. This will be reported regularly to the full board and governors.

The Alliance will establish a collaborative self-evaluation process and identify areas where joint processes and policies will support the vision and aims of the Alliance. Clear protocols will be developed for sharing staff. This is both for existing staff and any joint appointments made for the Alliance. We will ensure that all staff understand the Alliance, its key aims and provide support to those working across the schools/organisations.

RESIGNATION/ WITHDRAWAL FROM THE LLA

Should any Partner and Associate Partner decide they wish to withdraw from the LLA, 6 months-notice must be given to enable the Members and the LLA Board to develop contingency plans. This will also give time for information to be presented to the other Partners' and Associate Partners' Governing Boards so they can discuss if this has any implications for their organisation.

In order to be compliant, the LLA will require, as a minimum, 2 Partner Members to be in situ. Should the resignation mean that this would make the LLA non-compliant then the resignation will not be accepted until alternative arrangements have been made.

Should any Partner school wish to withdraw they will have to go through a formal consultation process and would then become a foundation school without a foundation.

DISPUTE RESOLUTION

This MOU is intended to strengthen existing relationships between all partners and conflicts are not anticipated; however, should the need arise, a neutral facilitator, agreeable to all parties involved, will be appointed by the Alliance to resolve any disputes.

If any Partner or Associate Partner breaks the terms of this MOU the Partner Directors will consult together with the object of remedying that breach, but if they cannot agree any party may terminate this agreement by notice.

This Memorandum of Understanding will be reviewed annually.
